

Name _____

Extreme Bugs

Instructions: Many people are fascinated by extremes and records. In the chart below are three extreme bugs. Each is a record-holder in the insect world. Using the resources available in the library, conduct research to discover **three** more extreme insects. Draw a picture of each and then identify the facts that make it a record-holder.

| | | |
|---|--|---|
|  |  |  |
| <p>The Heaviest Goliath Beetle It weighs up to 3½ ounces (like a small apple).</p> | <p>Best Jumper Flea It can jump 150 times the length of its own body.</p> | <p>Most Dangerous Black Bulldog Ant It stings & bites and can cause death in humans.</p> |
| <p>The Fastest?</p> | <p>Most Destructive?</p> | <p>The Loudest?</p> |
