Read to Achieve!

Directions: During the Celebrate reading show, Mr. Steve uses the motto ***read to achieve!*** Complete the following activities based on these magic words.

1. In your own words, what does it mean to **achieve**?

2. List at least **three** specific things you would like to achieve?

3. Select one item from your list in #2 above. Then visit the library to find a book to read that will help you achieve this goal.
